1. This Office action is in response to the amendment filed 7/31/00. Claims 1 and 2 have been amended.
2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
3. Claims 1-11 are allowed.
4. The following is a statement of reasons for the indication of allowable subject matter:

The allowable subject matter included in claims 7 and 11 has been inserted into claim 1.

The allowed independent claims speak to the heart of the unobvious subject matter, that is, "a palette of a plurality of intensities of each of a plurality of colors". This translates into providing each usable intensity of each color at the outset and no manipulation at a later time. This is considered novel and unobvious in light of the prior art.
5. The application having been allowed, formal drawings are required in response to this Office action.
